

North Boulevard Group Ministry Guidelines

Our small groups are a wonderful, intentional way for us to care for, nurture, and serve one another. So what does that mean?

CARING We encourage group leaders and group members to stay in contact with one another via text, calling or emailing each day. Meet weekly via zoom with your group. This is a great time to invite a neighbor, friend or another N.B. member to your group. Pray for each other and share in the needs of one another. **You are our frontline.** Likely, you will be the first to know needs and concerns of one another.

NURTURING Please use Sunday morning to gather (10 or fewer) in small groups to hear David's message, pray, sing, and take communion together. You may send your contribution online or mail to North Boulevard Church of Christ 1112 N. Rutherford Boulevard, Murfreesboro, TN 37130. Meeting with larger groups may be done with the Zoom app. Click the buttons below for more information:

SERVING Our LIFE Groups and Discipleship groups are great networks to be first responders to our church family and to our neighbors in need. One of the rhythms for our groups is to be able to serve together. Opportunities will be shared through our Disaster Relief efforts as well as through your own personal experiences shared in your groups.

Resources

Final Note

This is an opportune time to create or birth a new group, if your existing LIFE group is larger than 12 and/or your Discipleship Group is ready to grow a new group. Help is available through our staff to assist in facilitating this process. Click here to take the next step. Let's grow together as we glorify God and honor Christ's calling to go and make disciples.
