

## A CLEAR VISION

North Boulevard's **vision** is to be part of a world-wide great awakening where every person on earth has the opportunity to say "Yes!" to King Jesus.

Disciple-making is the heart of the Christian **mission**. We take seriously Jesus' command to "Go make disciples!" We consider His final command to be our first priority.

We are committed to planting churches "here, near, and far" as a primary **strategy** for making disciples.

**HERE** North Boulevard exists as six campuses across Rutherford County so that our friends and neighbors all have the opportunity to become followers of Jesus.

**NEAR** We encourage, share disciple-making resources, and partner with other congregations so that churches across the United States will be equipped to join the mission of Jesus.

**FAR** We join and catalyze Disciple Making Movements around the world who share our values of loving Christ, His scriptures, and lost people.

## FASTING & PRAYER

We believe that **fasting and prayer** are the starting place for the vision, mission, and strategies of the church and that no efforts will be successful without total dependence on God the Father, complete allegiance to Jesus Christ, and the perfect guidance of the Holy Spirit.

Everyone is invited to join with brothers and sisters "here, near, and far" for prayer and fasting each **Tuesday at 6pm through Wednesday at 6pm**. If you have health concerns, consider fasting from something other than food.
