

## OPEN

*Go around and let everyone answer on the following question...*

What is a Christmas tradition you look forward to doing every year and why?

## DIG

Why do we create and celebrate traditions?

Why are holy days, like Christmas, important for God's people?

### Read Galatians 4.4-5

*But when the fullness of the time came, God sent forth His Son, born of a woman, born under the Law, so that He might redeem those who were under the Law, that we might receive the adoption as sons.*

How do you think the circumstances of Christ's birth was connected the the purpose of His birth?

How does regularly remembering the purpose of Christ's birth help us remember our purpose?

What are some things that actually distract us from spiritually making the most of this annual celebration.

## APPLY

What traditions do you have or could you start that would help remind you of the purpose of this event?

*Close in a time of prayer.*

### Big Idea

This week's discussion encourages your group to reminisce about their Christmas traditions and consider the importance of remembering God's past blessings.

### Special Considerations

Don't let you meeting be the start and end of your connection with each other this week. Especially during this time of distancing, it is extra important to stay in touch. Consider sending out prayer requests, well-wishes, or updated via text or email during the week so members can keep up with each other.

### Group Discussion Reminder

Our LIFE Groups are a great place to pour out the love we share into the lives of others. We can't keep this love and community to ourselves. Who do you know that might benefit from being part of your group? Share those names, pray for them, and ask God to give you the courage to talk to them about visiting your group.
