Dive In

Go around and let everyone answer...

Share with the group a time when God opened an obvious path for you.

Dig Deep

Read Scripture: Joshua 3

God said to Joshua in Chapter 1... "as I was with Moses, so will I be with you." Based on Joshua's confidence in what God told him, he gave the order to cross the Jordan, assuming the role Moses once had.

As Rahab observed in Joshua Chapter 2... "I know that the Lord has given you the land...". Based on her confidence in what God was doing with the Israelites, Rahab made a plan.

In Chapter 3, Joshua commanded the people... "Sanctify yourselves, for tomorrow the Lord will do great wonders among you." He also commanded, "Come here, and hear the words of the Lord your God." And so it was that Joshua began to lay out the details of the plan to cross the Jordan river.

- The Israelites sanctified themselves before working the plan to cross the Jordan. What plan are you embarking upon, for which you might ask God's help and guidance?
- The officers commanded the people to follow after the ark of the covenant of the Lord their God. The ark was the presence of God to the Israelites. How might we follow the presence of God today?
- Share with the group a plan you intend follow.
- How do you prepare yourself to carry out what you are asking God to help you with?
- How might one avoid praying for God's help with a plan, for which there has been no preparation?

Do Big

- Through his actions, Joshua would be proven to be an audacious leader.
- Recount what God has done for you in bringing your plan from an expressed idea to actions that proved it.
