Dive In

Go around and let everyone answer...

Where would you like to spend your retirement years and what would you like to do with the rest of your life?

Dig Deep

Read Scripture: Joshua 14:6-15

- Caleb likely saw the land of Hebron about forty-five years prior to the time of this text when spying out the land of Canaan (Num. 13). Despite the ten spies discouraging report and the presence of the Anakim (giants in the land), Caleb encouraged the Israelites to go take possession of the **promised** land (Num. 13:30). Discuss what or who causes you to lose focus, be discouraged or give up on the **promises** of the LORD?
- What keeps you faithfully and patiently waiting on the LORD to fulfill His promises?
- The text mentions three times that Caleb followed the LORD wholeheartedly (completely) (Num. 14:8,9,14). What does it look like for you to follow the LORD wholeheartedly trusting in His promises, provisions, and power?

Do Big

- As followers of Christ, we all share a common **faith** in the inheritance of the promises of God and in the hope of Christ's return. What are you doing to pass on this beautiful heritage of **faith** to your spouse, children, grandchildren, family, friends, etc.?
- Do we ever get too old (Caleb was 85 years old) to serve God's purposes of sharing our **faith** while pursuing His promises?
